STATINTL

I am writing in reply to your letter of 23 March 1964 to Dr. Wheelon. Dr. Wheelon will be away from the office for almost a month and I just want to let you know that we have received your material and it is being studied within the Staff.

Upon Dr. Wheelon's return, we will go over it with him in detail and I am sure he will then get in contact with you.

Sincerely,
